FIREARM'S RANGE

Building Target Frame instructions have been posted on the website Firearms page for you to make and use at the ranges when practicing. The committee will make a couple for the range so you can see what they look like and how they are put up. Follow the measurements and you should be good to go. Thanks

Remember there are no shot guns used on the Rifle range except to sight in with slugs only. There is no skeet or trap shooting.

NOTICE

We don't allow skeet or trap shooting on the Club property. Our insurance doesn't allow it. Even if hand thrown, it is not allowed. - Sorry

Ranges Winter Use

1. Rifle range is not plowed during the winter months.
2. During the winter months the Pistol range can be used as Archery is indoors.
