RIFLE & PISTOL RANGES

- Only use alternating bays. There should be an empty slot between you and other shooters.
- If there are people waiting to use the range, please limit yourself to a half-hour of shooting.
- Social distancing is required; there is to be no congregating.
- Police your own brass (only); avoid contact with other people's brass.
- Sanitizer will be provided by LSC.
- Clubhouses **will not be** opened.

Building Target Frame instructions have been posted on the website Firearms page for you to make and use at the ranges when practicing. The committee will make a couple for the range so you can see what they look like and how they are put up. Follow the measurements and you should be good to go. Thanks

NOTICE

Remember there are no shot guns used on the Rifle range except to sight in with slugs only. We do not allow Skeet or Trap shooting on the Club property. Our insurance does not allow it. Even if hand thrown.

Be sure and fly the Red Flag in the red box on the Flagpole.
