

LUNENBURG SPORTSMEN' CLUB

REOPENING GUIDE LINES

Dear Fellow Club Members,

The Board of Directors (BOD) has reviewed the Federal government (Fed) and State of Massachusetts (State) guidance for reopening our facility. The BOD has provided the following information to assist our membership while enjoying the activities of the facility. Please be aware that the State or Fed can revise, change or cancel the regulations with regards to COVID-19. It is your individual responsibility to comply with the laws and regulations published by the issuing authorities. Please be aware that your participation while on club property is at your own risk as these guidelines do not provide any guarantee of safety related to contracting COVID-19. Failure to adhere to their rules -- as codified by the issuing body -- may result in ejection from club grounds. We appreciate your support as the club works to re-open during the coming months. Our success relies on your support and dedications to safety.
